

Enterprise in Society Awards 2026:

Award Categories, Guidance and Eligibility

NB: You must complete a separate application for each category you wish to make a nomination for - this is to ensure your nomination has the best chance of success.

REMEMBER:

Your nomination should focus on how the work you do benefits society and its wider impact for Lancashire.

We ask independent judges to form an opinion of all the nominees within each category. **The judges may not know your organisation** and the content within your application is all they have to assess the most worthy winner of an award.

Make sure you tell them everything you want them to know! Tell them how you:

- ✓ Have made an impact and achieved your goals
- ✓ Increased or have sought opportunity/s to increase turnover and secure future sustainability i.e. new services developed, or contracts awarded
- ✓ Expanded or consolidated the business
- ✓ Considered the environment.
