For transparency and fairness we have a policy (Member Agreement) that details how we support members, particularly where members may be in competition with each other, and where there may be competition between Selnet and its members.

Please read the **Member Agreement** which can be viewed at www.selnet-uk.com/join-selnet then check the box to confirm that as a member you agree to comply with the agreement:

TELL US MORE ABOUT YOUR SOCIAL ENTERPRISE:

One of the ways we promote our members is through our online Trade Directory at <https://selnet-uk.com/trade-directory/>

Briefly introduce your social enterprise; what do you do and who do you support?

As part of raising your profile, we are emphasising how customers or commissioners can buy from social enterprises and aligning our Trade Directory with the nationwide Buy Social campaign. #BuySocial

What do you sell and who to? Please describe specific goods, products, services and/or training etc with links or contacts for more information.
